

## BANANA SLUG

(Kevin Beals)

                          G      C      D  
You know I love my baby (love my baby)  
                  C                  G      C                  D  
Love the way that she hugs (way that she hugs)  
                  C                  G      C                  D  
Some people don't understand me (don't understand me)  
                  C          G      C          D  
She's a banana slug (banana slug)

                  D  
CHORUS:  BA-NA-NA SLUG! SLUG! SLUG! SLUG!  
                  G      C      D  
                  BA-NA-NA SLUG (shake your mucus plug)

She's only got one foot  
She ain't got no toes  
She hangs out in the forest  
And helps things decompose.  
CHORUS

The way she wiggle her antennae  
Oh it gives me such bliss  
C'mon c'mon banana slug  
Won't you give me a kiss?  
CHORUS

The way he slide through the forest  
He's lookin' so fine  
C'mon c'mon banana slug  
C'mon and show off your slime.  
CHORUS

Some people say that she's gross  
But I don't hear that jive  
Cause without my baby  
The forest wouldn't survive.  
CHORUS
