

## ON THE LOOSE

CHORUS:        G    Em    C    D  
                  On the loose to climb a mountain, On the loose where I am free,  
                  G    Em    C    D  
                  On the loose to live my life the way I think my life should be.  
                  C    D    G    Em  
                  For I only have a moment, and a whole world left to see.  
                  C    D    G  
                  I'll be searching for tomorrow on the loose.

Have you ever seen the sunset turn the sky completely red?  
Have you slept beneath the moon and stars, a pine bough for your head?  
Have you sat and talked with friends, though a word was never said?  
Then you're just like me and you've been on the loose. (Chorus)

There's a trail that I'll be hiking just to see where it might go,  
Many places yet to visit, many people yet to know.  
But in following my dreams, I will live and I will grow,  
On the trail that's waiting out there on the loose. (Chorus)

So in search of love and laughter, I am traveling across this land.  
Never sure of where I'm going, for I haven't any plans.  
Anytime when you are ready, come and join me take my hand.  
And together we'll find life out on the loose. (Chorus)

(optional) As I sit and watch the sunset and the daylight slowly fades,  
I am thinking of tomorrow, and the friendships I have made.  
I will treasure them for always, and I hope that you will too.  
And forever we'll share life out on the loose. (Chorus)
