

SWIMMING TO THE OTHER SIDE

CHORUS:

C Am F C
We are living 'neath the great Big Dipper, we are washed by the very same rain
C Am D G
We are swimming in the stream together, some in power and some in pain
C Am F C
We can worship this ground we walk on, cherishing the beings that we live beside
C Am G C
Loving spirits will live forever, we're all swimming to the other side

I am alone and I am searching, hungering for answers in my time
I am balanced at the brink of wisdom, I'm impatient to receive a sign
I move forward with my senses open, imperfection it be my crime
In humility I will listen, we're all swimming to the other side ... (Chorus)

On this journey through thoughts and feelings, binding intuition my head my heart
I am gathering the tools together, I'm preparing to do my part
All of those who have come before me, band together to be my guide
Loving lessons that I will follow, we're all swimming to the other side ... (Chorus)

When we get there we'll discover, all of the gifts we've been given to share
Have been with us since life's beginning, and we never noticed they were there
We can balance at the brink of wisdom, never recognizing that we've arrived
Loving spirits will live forever, we're all swimming to the other side ... (Chorus)
