## OFFICE OF EDUCATION

School Food Service Manager

Marin County Office of Education Outdoor Science School is a participant in the National School Breakfast and Lunch Program, agreement #21-1021 5-0000000-01, and is reviewed according the School Breakfast and Lunch Program.

Walker Creek Ranch Outdoor Science School is requesting status for students at your school in order to claim federal and state reimbursement for the week your students attend our program. According to CDE, this type of camp experience is to be considered a Field Trip. Children from the 5th and 6th grade; attend Outdoor Science School for 4 or 5 days. Because of this short time period, the Outdoor Science School is unable to collect current free and reduced applications. CDE allows us to share individual student eligibility status. Student Eligibility will be strictly confidential and handled solely at Walker Creek Ranch.

Please submit the names of your free and reduced eligible students on the attached form. Please make extra copies if you have more than 10 names. It is important to include each child's given first and last names. If your school does not participate in this program, please indicate on the attached form.

Please email the information to: [janderson@marinschools.org](mailto:janderson@marinschools.org). If you have any questions, I can be reached at (415)491-6602.

Thank you,

Ranch Manager  
Walker Creek Ranch
